THE SPA

BY SENSASIA

BESPOKE JOURNEYS

Here's where we help you truly escape. Our complete sensorial journeys, designed only for THE SPA by SensAsia, can be personalised with a trip to our Tasting Bar, where your expert therapist will guide you through argan butters, dead sea salts and oils from the Orient such as orange blossom, vanilla and amber – to ensure your treatment is exactly what you need in the moment.

THE REPAIR

75MIN

This restorative and deeply invigorating journey begins with a Dead Sea salt polish, paired with the warmed oil you have personally selected, to aid the elimination of toxins and remove dead skin cells. Continue with a seriously softening, muscle-melting Dead Sea mud wrap, promising to re-mineralize and detoxify your body, while improving circulation.

THE REVIVAL

90MIN

A no-mess, fuss free alternative to this region's most sought after skin sloughing ritual – the hammam. You'll reap the same benefits, and far more, beginning with skin exfoliation using the body polish of your choice. A warmed ghassoul clay mask, blended with orange blossom floral water is then cocooning you only to reveal revitalised, renewed and deeply hydrated skin. Buh-bye leather limbs!

+ *JET-AWAY*

+ *MELTED SHEA BUTTER MASSAGE*

150min

Combine with the Jet-Away Massage for the perfect flight day fix OR pamper yourself silly with a Melted Shea Butter Massage.

THE LUXE

75MIN

Escape to Morocco with this enriching total body treatment. Pink crystals and argan shell are combined with coconut and pink clay from the Sahara desert to gently exfoliate the skin, followed by a white honey and royal jelly body mask. Luxe to the max with this brightening mix of powerful superfoods, paired with a warmed body milk of your choice, targeting all areas of pigmentation and uneven skin tone.

+ *30 MINUTE MASSAGE*

+ *60 MINUTE MASSAGE*

Complete the ritual with a 30 or 60 minute massage.

THE DREAM

120MIN

This really is what dreams are made of. Start with a 60-minute sleep inducing, light pressure point massage. Then, good enough to eat, warmed shea butter is drizzled over the skin to quench and restore, while you are wrapped in a heated blanket. Let your imagination wander and feel your mind calm during a heavenly scalp massage, before we peel you off your bed.

THE MOTHER-TO-BE

120MIN

The ultimate indulgence for every maxed-out mum-to-be, where she can feel the benefits before, during and after baby arrives. We begin with gentle exfoliation using pink crystals and argan shell, to breathe new life into those increasingly hard-to-reach areas. Our specialised, bump-friendly massage follows, delivered by the most expertly-trained hands in the city.

'*SUPER MUM*'

180min

Enhance your massage with nourishing argan butter and The 'PLUMP'ed-UP Facial.

BODY POLISHES & WRAPS

Our decadent body polishes use exfoliants that stimulate, smoothen and perfect the skin's appearance, and all can be sampled and selected at our exclusive Tasting Bar, located at THE SPA by SensAsia's reception. Match your mood by selecting the carrier oil and moisture application you are most drawn to on the day.

All body polishes and wraps include a 20-minute back massage, carried out during moisture application.
